Criteria for Space Mission Itinerary

- All completed summer reading activities must be initialed by a parent or guardian in order for the student to receive full credit.
- Activities that state that the finished product should be attached to the itinerary must be turned in for the student to receive credit for the activity.
- In order to receive a space mission badge to use in the school library to check out a 3rd book each week through the end of October, students must complete at least one task from each planet on the itinerary.
- Students can earn a chance to win a selection of books by completing two or more tasks from each planet.
- All completed itineraries are due to Watkins Elementary by the end of the day Friday, September 15th – no exceptions.
